## Definitions

1. In these regulations any word or expression to which a meaning has been assigned in the Act has the meaning so assigned to it and, unless the context otherwise indicates—

“the Act” means the Legal Practice Act, 2014 (Act No. 28 of 2014).

## Manner in which teachers of law are designated for purposes of the Council

2. (1) In this regulation “ordinary member” means —
- (a) in the case of the South African Law Deans Association, a person who is an ordinary member thereof, as defined by the Constitution for the South African Law Deans Association; and
  - (b) in the case of the Society of Law Teachers of Southern Africa, a person who is an ordinary member thereof, as defined by the Constitution of the Society of Law Teachers of Southern Africa, as approved on 26 January 1989 and amended in July 1990, July 1994, January 1996 and July 2003.

(2) Whenever a vacancy in the Council occurs of a dean of a faculty of law the Council must dispatch a notice to the President of the South African Law Deans Association, calling on it, before a stipulated date, to designate a dean of a faculty of law at a university in the Republic to be a member of the Council as contemplated in section 7(1)(b) of the Act.

(3) The President of the South African Law Deans Association must, within 14 days after receipt of the notice referred to in subregulation (2), send a notice by email to every ordinary member of the Association, calling for nominations of deans of law for designation to the Council in the vacancy that has occurred.

- (4) The notice referred to in subregulation (3) must —
- (a) draw the attention of the ordinary members to the provisions of section 7(2) of the Act; and

(b) stipulate a date by which the nominations must be emailed to the President, which date may not be earlier than ten days from the date of the notice.

(5) Any nomination of a dean of law must be made in a document which provides the following information in respect of the nominee:

- (a) His or her name and identity number;
- (b) his or her race and gender;
- (c) if he or she has a disability and wishes to disclose that fact, a statement to that effect and the nature of the disability; and
- (d) his or her knowledge and experience in the matters set out in section 7(2)(e) of the Act.

(6) The nomination document referred to in subregulation (5) must —

- (a) be signed by two ordinary members;
- (b) be endorsed, over the signature of the nominee named therein, by his or her acceptance of the nomination;
- (c) contain the nominee's confirmation that —
  - (i) the information given therein is correct; and
  - (ii) he or she is not disqualified in terms of section 8 of the Act from membership of the Council; and
- (d) be sent by email to the President of the South African Law Deans Association.

(7) If more than one candidate is nominated, the President of the South African Law Deans Association must, within 14 days after the last day on which nominations were required to be emailed in terms of subregulation (4), send to every ordinary member of the Association by email a copy of all the nomination documents and request that ordinary member to vote by way of an email sent to the President, before a specified date, for one dean of law for designation to the Council.

(8) After the date on which the nominations were required to be emailed in terms of subregulation (7), the President of the South African Law Deans Association must —

- (a) in the presence of at least one other ordinary member, open the emails sent to him or her and count the votes so received;

- (b) retain the received emails for a period of three months after the date referred to in subregulation (4); and
- (c) after the three month period destroy all the emails, unless ordered otherwise by an order of court.

(9) If there is a tie between two or more nominees, which results in there being uncertainty which one has received the most votes, the question must be resolved immediately by lot drawn by the President of the South African Law Deans Association in the manner determined by him or her and in the presence of at least one ordinary member.

(10) The President of the South African Law Deans Association must —

- (a) cause each nominee to be advised of the result of the voting; and
- (b) advise the Council of the particulars of the designated dean of law.

(11) Whenever a vacancy in the Council occurs of a teacher of law the Council must dispatch a notice to the President of the Society of Law Teachers of Southern Africa, calling on it, before a stipulated date, to designate a teacher of law at a faculty of law at a university in the Republic to be a member of the Council as contemplated in section 7(1)(b) of the Act.

(12) The President of the Society of Law Teachers of Southern Africa must, within 14 days after receipt of the notice referred to in subregulation (11), send a notice by email to every ordinary member of the Society, calling for nominations of teachers of law for designation to the Council in the vacancy that has occurred.

(13) The notice referred to in subregulation (12) must —

- (a) draw the attention of the ordinary members to the provisions of section 7(2) of the Act; and
- (b) stipulate a date by which the nominations must be emailed to the President, which date may not be earlier than ten days from the date of the notice.

(14) Any nomination of a teacher of law must be made in a document which provides the following information in respect of the nominee:

- (a) His or her name and identity number;
- (b) his or her race and gender;

- (c) if he or she has a disability and wishes to disclose that fact, a statement to that effect and the nature of the disability; and
- (d) his or her knowledge and experience in the matters set out in section 7(2)(e) of the Act.

(15) The nomination document referred to in subregulation (14) must —

- (a) be signed by two ordinary members;
- (b) be endorsed, over the signature of the nominee named therein, by his or her acceptance of the nomination;
- (c) contain the nominee's confirmation that —
  - (i) the information given therein is correct; and
  - (ii) he or she is not disqualified in terms of section 8 of the Act from membership of the Council; and
- (d) be sent by email to the President of the Society of Law Teachers of Southern Africa.

(16) If more than one candidate is nominated, the President of the Society of Law Teachers of Southern Africa must, within 14 days after the last day on which nominations were required to be emailed in terms of subregulation (13), send to every ordinary member of the Society by email a copy of all the nomination documents and request that ordinary member to vote by way of an email sent to the President and before a specified date, for one teacher of law for designation to the Council.

(17) After the date on which the nominations were required to be emailed in terms of subregulation (16), the President of the Society of Law Teachers of Southern Africa must —

- (a) in the presence of at least one ordinary member of the Society, open the emails sent to him or her and count the votes so received;
- (b) retain the received emails for a period of three months after the date referred to in subregulation (13); and
- (c) after the three month period destroy all the emails, unless ordered otherwise by an order of court.

(18) If there is a tie between two or more nominees, which results in there being uncertainty which one has received the most votes, the question must be

resolved immediately by lot drawn by the President of the Society of Law Teachers of Southern Africa in the manner determined by him or her and in the presence of at least one ordinary member.

(19) The President of the Society of Law Teachers of Southern Africa must —

- (a) cause each candidate to be advised of the result of the voting; and
- (b) advise the Council of the particulars of the designated teacher of law.

(20) The first designation of the members of the Council referred to in section 7(1)(b) must be conducted under the authority of the National Forum on the Legal Profession established in terms of section 96(1) of the Act and this regulation will apply, with the necessary changes required by the context, to the process in respect of the first designation, and a reference in these regulations to "the Council" must be deemed to be a reference to the National Forum.

(4) (a) The Board may only invest in money market instruments that have a credit rating by a ratings agency, which rating must be publicly disclosed, as provided in Annexure "B" to these Regulations; provided that the Board may not invest in money market instruments if the value thereof exceeds the percentage of the value of the Fund as indicated in the table below against the applicable domestic or international rating:

<b>Rating Band as per table in Annexure C</b>	<b>Inclusion Limit per Instrument and Issuer as a percentage of all assets comprising the fund</b>
1	30%
2	20%
3	5%

- (b) The total investment exposure of the Fund to —
  - (i) any single issuer may not exceed the percentage applicable to the short term institutional rating assigned to that issuer in the corresponding rating band; and

(ii) all issuers with ratings in rating band 3 may not exceed 20% of the market value of the Fund.

(c) If, after the date on which the Board invested in a money market instrument, that money market instrument is rated lower than its rating at the date of investment, the Board must rectify the position within 30 days of such lower rating: Provided that if the Board is satisfied that such rectification would be to the detriment of the fund, the Board must, within 14 days of the date of becoming aware of the lower rating, submit a plan for approval to the Minister setting out measures to rectify the position.

(5) Such amount of money as may be available for investment in terms of section 72(2) of the Act, may be invested by the Board as prescribed in this regulation.

(6) The Board is subject to the relevant conditions and investment limits as prescribed in subregulations (2) and (3).

(7) (a) The Board may invest in equities to a maximum aggregate amount of 75% of the market value of all the assets of the Fund.

(b) The Board may invest in offshore securities to a maximum aggregate amount of 25% of the market value of all the assets of the Fund.

(8) The Board may invest in property to a maximum aggregate amount of 10% of the market value of all the assets of the Fund.

(9) The Board may not invest in non-equity securities issued by a company to an amount in excess of 20% of the market value of all the assets comprising the Fund.

(10) The Board may invest in the participatory interest of a collective investment scheme that is defined by the Code of Practice as equity portfolios.

(11) The investment limits prescribed in this regulation may be exceeded only if such excess is due to the appreciation or depreciation of the value of the instruments comprising the Fund.

(12) The Board may not, for as long as the excess contemplated in subregulation (11) continues, purchase any further instruments of the class in respect of which the excess occurs.

(13) The Board may include financial instruments and if in accordance with the provisions of these Regulations the Board —

- (a) sells futures contracts, call options or call warrants, or buys put options or put warrants, based on specific underlying assets which are not indices, the Board must maintain a market value of such underlying assets in the Fund with positive nominal exposures to the same underlying assets;
- (b) sells futures contracts, call options or call warrants, or buys put options or put warrants, based on index futures or a group of securities, the Board must maintain an exposure to appropriate underlying assets in the Fund, or other financial instruments with positive exposures to similar underlying assets in the Fund, which is at least equal to the nominal exposure of these financial instruments;
- (c) buys futures contracts, call options or call warrants, or sells put options or put warrants based on any underlying asset, the Board must maintain an exposure to assets in liquid form in line with the nominal exposure prescribed in subregulation (15);
- (d) sells put options or put warrants the Board may maintain a bought put option or bought put warrant in lieu of assets in liquid form as required in paragraph (c) only if the strike price of the bought put option or bought put warrant is not lower than the price of the sold put option or sold put warrant;
- (e) sells call options or call warrants, the Board may maintain a bought call option or bought call warrant in place of underlying assets as required in paragraph (a) or (b) only if the strike price of the bought call options or bought call warrants is lower than the price of the sold call option or sold call warrant;
- (f) sells or buys multiple options or multiple warrants based on the same underlying assets and requires the nominal exposure to liquid instruments prescribed in paragraph (c), the Board may maintain assets in liquid form as needed for only one such option or warrant transaction; and
- (g) sells or buys multiple options or multiple warrants based on the same underlying assets the Board requires the nominal exposure to underlying assets contemplated in paragraph (a) or (b).

(14) The Board may sell financial instruments only which have been bought by it.

(15) The sum of the nominal exposures to assets in liquid form as a result of the inclusion of financial instruments in the Fund, together with the market value of all the physical underlying securities in the Fund, may not exceed 100% of the market value of the Fund.

(16) The nominal exposure to financial instruments on any specific underlying asset, which is not an index or group of securities, together with the market value of any direct holding of that specific underlying security, may not exceed the limitations laid down in subregulation (3).

(17) For the purposes of subregulations (15) and (16) the provisions of subregulation (3) in respect of excesses, which are due to appreciations or depreciations of the market value of the relevant securities must apply.

(18) The effective exposure of any financial instrument to an underlying asset, a group of underlying assets or an index must be calculated as the product of the—

- (a) number of contracts;
- (b) relevant contract size;
- (c) current market value of that contract;
- (d) delta, if applicable; and
- (e) transaction sign.

(19) The net effective exposure of financial instruments to equity securities is the sum of all effective exposures to all financial instruments calculated in accordance with subregulation (18).

(20) The nominal exposure to assets in liquid form of any financial instrument required in accordance with subregulations (15) to (17) must be calculated as the nominal exposure of any financial instrument calculated in accordance with subregulation (18).

(21) The nominal exposure to assets in liquid form for the Fund must be calculated as the sum of the nominal exposures of all the assets in liquid form calculated for all financial instruments in the fund in accordance with subregulation (20).

(22) Exposure created through the inclusion of financial instruments must be fully covered by assets in liquid form or, in order of priority, by the same, similar or appropriate underlying assets.

(23) Cover for the exposure of financial instruments to equity securities with positive effective exposure as calculated in accordance with subregulation (19), must be in the form of assets in liquid form of at least equivalent in value to such exposure.

(24) Cover for the exposure of financial instruments to equity securities with a negative effective exposure as calculated in accordance with subregulation (19), must be in the form of underlying assets of at least equivalent in market value to such exposure.

(25) The sum of effective exposure as calculated in subregulation (19) must be matched by an equivalent value of assets in liquid form: Provided that the assets in liquid form, together with the market value of all the physical underlying assets in the portfolio, may not exceed 100% of the market value of the Fund.

(26) The value of assets in liquid form that must be held as cover in terms of this regulation may be reduced by the amount held in a margin account with an exchange.

Note:

1. The above table refers to the domestic or national rating scales.
2. In the instance of an instrument, entity or concern being assigned a rating by two or more rating agencies, the lowest rating applies.
3. Where the short-term rating of an instrument or issuer spans more than one rating band, reference must be made to the long-term issuer rating to determine the applicable rating band for inclusion limit purpose.
