Reference – Job Application – Mr. Cyril B. Mkhize

I am pleased to recommend Mr. Cyril B. Mkhize for the position he is applying for at your institution. He has been a student in my research methodology in political studies class for the last semester and as his instructor had the opportunity to observe his research interest. He is a hardworking and dedicated person striving to better himself in terms of gaining knowledge and widening his outlook on life. I am confident that he is well equipped to face the challenges presented by your institution and will show the ability to do research. I strongly suggest making him a member of your team.
