Whether his department has records of the number of vehicles (a) at each police station and (b) in each province; if not, why not; if so, what are the relevant details?

- (a) Yes, the South African Police Service (SAPS) has record of the total number of vehicles at each police station. However, sharing information on the availability, utilisation and deployment of human and physical resources may compromise policing activities and the safety of SAPS employees and can, therefore, not be provided.
- (b) Yes, the breakdown of total number of vehicles, per province, is reflected in the table below:

Province	Total
Eastern Cape	5 020
Free State	3 594
Gauteng	9 329
Head Office	6 127
