MEMORANDUM ON THE OBJECTS OF THE SOUTH AFRICAN EXPRESS BILL, 2007

1. BACKGROUND

- 1.1 In 2004 the Minister for Public Enterprises approved the disposal of non-freight assets from Transnet Limited (“Transnet”). The Minister has agreed with Transnet to transfer Transnet’s entire shareholding, including claims in and to South African Express (Proprietary) Limited (“SAX”), to the State in terms of a share sale agreement. This agreement is subject to the fulfilment of certain suspensive conditions, which include the passing of any legislative mandate required to implement the transfer. The Bill is part of such legislative mandate.
- 1.2 The Bill seeks to create flexibility for funding and private sector involvement by providing for the possibility that SAX may be converted into a public company. Public companies are generally recognised as the optimal corporate form to access capital markets and enable future private sector investment, where necessary.

2. OBJECTS

The objects of the Bill are to provide for—

- 2.1 the transfer of SAX shares and interests from Transnet to the State; and
- 2.2 the conversion of SAX into a public company with share capital.

3. BODIES CONSULTED

The Department of Public Enterprises has consulted—

- National Treasury;
- Department of Transport;
- Transnet and SAX.

4. FINANCIAL IMPLICATIONS FOR STATE

The financial implications for the State will be in respect of providing guarantees to various third party lenders and entities such as the International Licensing Council and replacing Transnet as the present guarantor.

5. PARLIAMENTARY PROCEDURE

- 5.1 The State Law Advisers and the Department of Public Enterprises are of the opinion that this Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution of the Republic of South Africa, 1996, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.
- 5.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it contains no provisions pertaining to customary law or customs of traditional communities.
