## **MEMORANDUM ON THE OBJECTS OF THE AFRICA INSTITUTE OF SOUTH AFRICA ACT REPEAL BILL, 2013**

### **1. BACKGROUND**

- 1.1 The Africa Institute of South Africa Act Repeal Bill, 2013 (hereinafter referred to as “the Bill”), seeks to repeal the Africa Institute of South Africa Act, 2001 (Act No. 68 of 2001) (hereinafter referred to as “the Act”), which established the Africa Institute of South Africa (hereinafter referred to as “the Institute”).
- 1.2 When the Department of Science and Technology (hereinafter referred to as “the Department”) was established in 2004, the responsibility for the administration of the Act was assigned to the Minister of Science and Technology (hereinafter referred to as “the Minister”), presumably because the Institute was regarded as a research institute intended to generate and disseminate knowledge, albeit with an Africa focus.
- 1.3 Prompted by the recommendations of the Institute’s 2010 institutional review, the Minister requested the Department to consider the alignment of the Institute’s role and activities within the Department’s broad strategic mandate. It was discovered that there was a significant overlap between the mandate and operational activities of the Institute and the Human Sciences Research Council (hereinafter referred to as “the Council”), which the Department believes causes or has the potential of causing unnecessary duplication of activities, resulting in inefficient deployment of resources.
- 1.4 During 2008 the mandate of the Council was expanded to include a strong focus on public purpose research and stressed effective engagement with Africa and the rest of the world.
- 1.5 The Department therefore considered the possibility of merging the two institutions, due to the significant alignment in the research focus and activities of both entities. It was however advised that due to the relative sizes of the respective institutions, it would be prudent to incorporate the Institute into the Council rather than to pursue a traditional merger approach. The Department also believes that the said incorporation will strengthen the Institute’s research capacity and enhance synergies in the two institutions’ research foci and activities. It was therefore deemed necessary to repeal the Act and incorporate the Institute into the Council.
- 1.6 In order to ensure funding certainty for the Institute’s current projects and other operational activities the Institute’s budget for the prevailing MTEF period will be ring-fenced within the Council.

### **2. OBJECTS OF THE BILL**

The Bill seeks to repeal the Act and consists of five clauses.

- 2.1 Clause 1 deals with the definitions of terms.
- 2.2 Clause 2 provides for the disestablishment of the Institute.
- 2.3 Clause 3 provides for the—
  - 2.3.1 transitional arrangements in respect of the transfer of assets, liabilities, rights and obligations of the Institute as well as the transfer of employees from the Institute to the Council;
  - 2.3.2 dissolution of the Council of the Institute; and
  - 2.3.3 ring-fencing of the Institute’s budget within the Council.

2.4 Clause 4 seeks to repeal the Act.

2.5 Clause 5 contains the short title, and deals with the commencement of the Act.

### **3. PARTIES CONSULTED**

The following departments and bodies were consulted:

3.1 Africa Institute of South Africa

3.2 Human Sciences Research Council

3.3 National Treasury

### **4. FINANCIAL IMPLICATIONS FOR THE STATE**

All expenses for specialised services relating to the incorporation process have been budgeted for by the Department. Operational management and oversight relating to such incorporation will, as far as possible, be undertaken by members of the senior management of the Department, the Institute and the Council.

### **5. PARLIAMENTARY PROCEDURE**

5.1 The State Law Advisers and the Department of Science and Technology are of the opinion that this Bill should be dealt with in terms of the procedure established by section 75 of the Constitution, since it does not contain provisions to which section 76 of the Constitution applies.

5.2 The State Law Advisers are of the opinion that it is not necessary to refer the Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
